

Our safety maintenance records speak for themselves, now let us extend that same service to you!

NTC is expanding its quality equipment maintenance services to others. Service options include:

- Monthly preventative maintenance services for trucks and trailers
- Oil changes for trucks
- Brake jobs
- Minor Engine Repairs
- Annual DOT inspections
- Trailer Repairs
- Many other repairs not related to body or major engine work

These services are being offered at NTC's corporate office in Gering, Nebraska during regular business hours from 7 a.m. to 5 p.m. Monday through Friday.

For more information contact NTC Shop Manager Rick Smith, or Phillip Holliday at 308-635-1214 or 308-635-6580.
